**Dear Parents,**

*Kendriya Vidyalaya, as a premier education unit, always have the child as its focus in planning its programs an implementing them. Apart from the well-structured academic programs, several other co-scholastic activities are also planned in the school for facilitating the holistic development of the child's personality. CMP, motivating primary children, aims at focused primary education involving activity based teaching, learning, building required resources such as library, playground, TLM, Computer Facilities, common minimum program for primary children such as celebration of grandparents day, class libraries, community Lunch, field trips, etc. This newsletter has realistically tried to highlight the number of befitting programs organized throughout the quarter in our Vidyalaya as well as in our cluster. I wish all the members very all the best in their future Endeavour*

**English poem recitation**

Betty bought some butter  
But she said the butter's bitter  
If I put it in my batter  
It will make my batter bitter  
But a bit of better butter will make it better than the  
bitter butter  
So she bought a bit of better butter  
And put it in her batter  
And now her batter was not bitter
